EDUCATION

Dominican University of California — *San Rafael, CA*

Bachelor of Science in Applied Computer Science

Expected Graduation: June 2028

PROJECTS

Digital Portfolio

September 2024 | <https://github.com/TC-ChangMin/digital-portfolio>

- Developed a responsive portfolio website using **HTML, CSS, and JavaScript** that dynamically adjusts to different device sizes, with a focus on **UI/UX** for mobile optimization.
- Ensured scalability by designing the project to accommodate future enhancements without modifying existing features.

Game Scripting with OpenCV

August 2024 | <https://github.com/TC-ChangMin/BSS-Bot-Script>

- Built an image-detecting and movement bot, in **Python** using **OpenCV**
 - Collaborated with online contributors to improve the bot's performance and functionality, demonstrating strong communication and problem-solving skills.
-

EXPERIENCE

Graphic Designer

- Designed promotional materials using **Adobe Illustrator and Photoshop** to boost event attendance by 30%.
 - Collaborated closely with a Graphic Design Manager to produce innovative visual content for High School events.
 - Conducted testing via **TestFlight** and provided feedback on software prototypes to improve user experience on Sonolus
-

TECHNICAL SKILLS

Languages & Frameworks: HTML, CSS, JavaScript, Python, React

Design Tools: Adobe Creative Suite (Illustrator, Photoshop)

Version Control: GitHub

Tools: VSCode, CoPilot, TestFlight
